

Semester Lecture Plan

Name of the college: Government College of Arts, Science & Commerce, Sanquelim-Goa							
Name of Faculty: Ajit Ghadi			Subject: Political Science				
Paper code: POL 201			Program/Course: Major II International Relations		Division: SYBA		
Academic year: 2024 – 2025			Semester: III		Total Lectures: 48		
Course Objectives: The course introduces the students to the basic concepts and issues in International Relations. It looks at some of the important developments in the field through the prism of theory, actors, institutions and processes. The course therefore seeks to analyze the continuities and changes in the international system by focusing on interconnectedness of the various global phenomenon.							
Course Learning Outcome: 1. The students will be able to understand the relevance and inclusive/interdisciplinary nature of International Relations; 2. The students will be able to understand different perspectives to the discipline. 3. The students will be able to analyze State and non-state actors and the impact of globalization; and 4. The students will be able to observe the significance of international economic institutions and the challenges the state faces in modern times.
