			Practical Plan		
Nome of	the colleges Court Co	llogo of Arts Science	e and Commerce, Sanguelim – Goa		
	the conege. Govt. Ct	mege of Arts, Science	e and commerce, sanquenni – doa		
Name of Faculty: Dr. Suphala Pujari		Pujari	Subject:Zoology		
Paper code:ZOD 101 (Practical)		l)	Program: TY BSc Division: A		
Acadomic voar: 2024 2025			Semester: V Total Practicals/Labs: 11		
Academic year: 2024 - 2025			Semester: V Total Practicals/Labs: 11		
Credits:	02				
Course O	bjectives: To underst	and the basic princip	les in research methodology and biostatistics.		
Course O	bjectives: To underst	and the basic princip	les in research methodology and biostatistics.		
	-	· ·		ods that are commonly used by the researchers.	
	-	· · ·	les in research methodology and biostatistics. edge of the various research methodologies and research metho	ods that are commonly used by the researchers.	
Expected	Course Outcome: So	ound practical knowle	edge of the various research methodologies and research metho	· · ·	
Expected Student L	Course Outcome: So	ound practical knowle		· · ·	
Expected	Course Outcome: So	ound practical knowle	edge of the various research methodologies and research metho	· · ·	
Expected Student L	Course Outcome: So earning Outcome: So	ound practical knowle	edge of the various research methodologies and research metho	· · ·	
Expected Student L manner	Course Outcome: So earning Outcome: So Practicals/Labs	ound practical knowle tudents will gain kno No. of	edge of the various research methodologies and research methodologies and research methodologies and research methodologies and research will wiedge on conducting research and data analysis. Students will	also know how to report research effectivelyin a scientific

Expected Student L manner	Course Outcome: So earning Outcome: So Practicals/Labs	ound practical knowle tudents will gain kno No. of	edge of the various research methodologies and research methodologies and research methodologies and research methodologies and research will wiedge on conducting research and data analysis. Students will	also know how to report research effectivelyin a scientific Reference books	
Expected Student L manner Month	Course Outcome: So earning Outcome: So Practicals/Labs Scheduled Date	ound practical knowle tudents will gain kno No. of Practicals/Labs planned	edge of the various research methodologies and r	also know how to report research effectivelyin a scientific Reference books nd mode	
Expected Student L manner Month	Course Outcome: So earning Outcome: So Practicals/Labs Scheduled Date 04/07/2024	und practical knowle tudents will gain kno No. of Practicals/Labs planned 1	edge of the various research methodologies and research methods weldge on conducting research and data analysis. Students will List of Experiments Manual calculation of statistical methods – mean, median ar	also know how to report research effectivelyin a scientific Reference books nd mode on and standard error	
Expected Student L manner Month	Course Outcome: So earning Outcome: So Practicals/Labs Scheduled Date 04/07/2024 11/07/2024	ound practical knowle tudents will gain kno No. of Practicals/Labs planned 1 1	edge of the various research methodologies and research methods wledge on conducting research and data analysis. Students will List of Experiments Manual calculation of statistical methods – mean, median ar Manual calculation of statistical methods - standard deviation	also know how to report research effectivelyin a scientific Reference books nd mode on and standard error	

	08/08/2024	1	Calculation of statistical methods using basic statistical software	International, New Delhi
	22/08/2024	1	Data collection from questionnaires	
	29/08/2024	1	Digital presentation of data in the form of graphs, tables, charts	
September	05/09/2024	1	Data collection on the field: mapping and surveying	
	19/09/2024	1	Data collection on the field: mapping and surveying, contd.	
	26/09/2024	1	Digital presentation of data in the form of graphs, tables, charts	
October	03/10/2024	1	Revision	
	10/10/2024	1	Completion of journal	
	17/10/2024	1	Certification of Journal
