

		Semester Lecture Plan					
Name of the college: Government College of Arts, Science & Commerce, Sanquelim -Goa							
Name of Faculty: Ms. Supriya Gaonkar				Subject: Geography			
Paper code:GOG204				Program/Course Physical Landscape of India		Division:	
Academic year: 2024-2025				Semester: IV		Total Lectures: 60	
Course Objectives: This course aims to provide students with a concise understanding of India's Geographical Features							
<b>Course Learning Outcome:</b>  <b>Develop</b> critical thinking skills to evaluate the significance of various physiographic features in shaping India's landscape and influencing human activities. 2. <b>Recognize</b> the interconnected nature of India's drainage systems and their impact on the overall geography and socio-economic aspects of the country. 3. <b>Demonstrate</b> the comprehensive understanding of India's climatic diversity. 4. <b>Evaluate</b> the importance of forest and soil conservation and their impacts on maintaining ecological balance.							
Month	Lectures From:                      To:		No. of lectures allotted	Topic, Subtopic to be covered	Learning Outcome	ICT Tools	Reference books
December	9/12/2024	14/12/2024	04	Location: India and its neighbours	Study the location and Extent of India and its Neighbors	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
December	16/12/2024	21/12/2024	04	Frontiers of India, States and their position,	Learn about Frontiers of India	Board and Power point Presentation	Geography of India through Maps,

							Geography of India – Majid Hussain Online Resources
	2/01/2025	4/01/2025	04	States with international boundaries	Study the international boundaries and states of India	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
January	6/01/2025	11/01/2025	04	The Himalayas –geological formation  climate, vegetation, soil, biodiversity,	Study the Himalayan Mountain System	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
	13/01/2025	18/01/2025	04	physiographic divisions, major passes, significance	Study the Physical divisions of India	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
	20/01/2025	25/01/2025	04	The Great North Indian Plains –geological formation,  physiographic divisions, climate, vegetation, soil, biodiversity, significance	Gain knowledge on plain of India	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
	27/01/2025	1/02/2025	04	Peninsular Plateau –geological formation, Central Highlands,	Know the formation of	Board and Power point Presentation	Geography of India through Maps,

				Deccan Plateau, Western Ghats, Eastern Ghats	Peninsular plateau region		Geography of India – Majid Hussain Online Resources
	3/02/2025	8/02/2025	04	Indian Desert Coastal plains and islands Eastern and Western Ghats	Able to understand the Indian desert	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
February	3/02/2025	8/02/2025	04	Himalayan Drainage System: Indus river system, Ganga River System, Brahmaputra river system	Study the Himalayan river system and its origin	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
	10/02/2025	15/02/2025	04	Peninsular Drainage System: Flowing Towards East: Krishna, Godavari, Kaveri, Mahanadi, Subarnarekha, Vagai, Pennar	Study the importance of Peninsular river system	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
	17/02/2025	22/02/2025	04	West Flowing Rivers , Tapti/Tapi, Mahi, Sabarmati, Luni and Sharavati	Gain the knowledge on west flowing rivers of india through maps	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
	24/02/2025	1/03/2025	04	Hydropower projects, major dams:	Will study the hydropower projects in India	Board and Power point Presentation	Geography of India through Maps,

				Tehri Dam, Bhakra Nangal Dam, Sardar Sarovar Dam, Hirakud Dam, Krishna Sagar Dam			Geography of India – Majid Hussain Online Resources
March	3/03/2025	8/03/2025	04	The Indian Climate Factors influencing the climate of India Monsoon and its mechanism	Will study the Factors affecting climate of India	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
	10/03/2025	15/03/2025	04	El-Nino and La-Nina & their impacts	Know the El-Nino and La-Nina & their impacts	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
	17/03/2025	22/03/2025	04	The cold weather season, the hot weather season, the southwest monsoon season, and the retreating monsoon season	Gain the knowledge of Seasons of India	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
	24/03/2025	29/03/2025	04	Climatic Regions of India Regions of India	Know the distribution of climatic regions of India	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
April	31/04/2025	5/04/2025	04	Classification of Soils	Study Soil and its characteristics	Board and Power point Presentation	Geography of India through Maps,

				Issue of Soil degradation & Soil Erosion, Soil Conservation			Geography of India – Majid Hussain Online Resources
	7/04/2025	11/04/2025 .	04	Natural Vegetation of India: Forest Cover in India, Types of Forest in India, Biosphere reserves, national parks of India, Forest Conservation, Forest and Indigenous Communities and their problems in India.	Study the natural Vegetation of India	Board and Power point Presentation	Geography of India through Maps, Geography of India – Majid Hussain Online Resources
