

Semester Lecture Plan

Name of the college: Government College of Arts, Science & Commerce, Sanquelim-Goa						
Name of Faculty: Shruti Naik		Subject: Political Science				
Paper code: POL 241		Program/Course: Local Self Governments in Goa			Division: SYBA	
Academic year: 2026– 2027		Semester: III			Total Lectures: 15	
Course Objectives: 1. The course aims to enhance students' knowledge by fostering an understanding of the evolution of local self-governance in Goa. 2. The course aims to develop practical skills by providing opportunities for students to engage in real-world scenarios. 3. The course aims to encourage critical analysis by guiding students to critically evaluate the structures and functioning of local self- governance.						
Course Learning Outcome: 1. The students will be able to demonstrate foundational knowledge on the historical evolution of local self-governance in Goa. 2. The students will be able to apply practical skills by engaging in on-site activities to gain firsthand insights into the functioning of local governance. 3. The students will be able to analyze local governance structures by examining the structural components of local self-governance. 4. The students will be able to critically evaluate challenges and opportunities associated with local self-governance.
